Re: *United States v. Inigo August Philbrick*, 20 Cr. 351

Dear Judge Stein:

At the sentencing of Inigo Philbrick on May 23, 2022, the Court ordered the Government to provide an update to the Court within 30 days regarding the status of a medical evaluation of a mole on the foot of defendant Inigo Philbrick. On May 25, 2022, the Government provided a copy of the Court's order to Bureau of Prisons ("BOP") legal counsel and requested information regarding the status of a medical evaluation of the mole. The Government followed up with BOP counsel on June 20 and 22. The Government has yet to receive a response from BOP. The Government will continue to follow up with BOP. In addition, the Government has conferred with defense counsel, who will inquire directly with the defendant regarding whether his mole has been evaluated.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
